

## Join us in Chicago for the fifth annual two-day

## **Building For Sustainability Workshop**

When: Thursday, September 30

**& Friday, October 1, 2010** 8:45 am - 5:00 pm (3:00 pm on Day 2)

**Where: Chicago Center for Green Technology** 

445 North Sacramento Boulevard

Chicago, IL 60612

Cost: \$65 for registration by 9/15

\$75 after 9/15. Breakfast, lunch provided.

Limited scholarships available to nonprofits.

Space is limited.

Pre-registration and -payment required.

With workshop sessions on:

- Improving your design process for maximum construction efficiency and cost savings
- Exploring the best options to reach your building's sustainability goals
- Grant programs and other resources to write down sustainable building costs
- Case studies of recent projects in the Chicago region

To register, visit <a href="https://www.cclfchicago.org/assistance/">www.cclfchicago.org/assistance/</a> workshops. Or call 312-252-0440 x205 for more info.

Don't miss this once-a-year opportunity to build your professional knowledge of **sustainable and affordable** housing, **energy** prices, **healthy homes**, and the impact of development on the **environment**. Make your next project sustainable from the start!
